**ST. JOHN'S PARISH
DAY SCHOOL SUMMER CAMP**

For nearly half a century, St. John's Parish Day School in Ellicott City, Md., has been providing the **highest quality Episcopal education** to children of all faiths. **We have extended our programming into the summer** offering children a safe and nurturing environment in which to make friends and experience activities that are outside of the traditional academic environment. **Summer is an opportunity to make memories and have fun—we are here to support that goal.**

Summer at St. John's

Our Mission

First and foremost, we believe that camp should be fun and exciting! St. John's Summer Camp Program provides a safe, enriched environment which allows for discovery through thematic camps. No homework, no tests, just learning, friends and fun!

Come join our experienced camp staff for **7 weeks** of fun and discovery. **Partial-Day** camps and **Full-Day** camps are available. Our camps provide a morning full of theme-based activities. Our afternoons will have a variety of experiences including, sports, art, games, science, cooking, drama, crafts, and much more!

Our camp programs and activities are developed specifically with young children in mind. In the St. John's tradition, we strive to instill a sense of wonder, celebrate childhood, and provide a secure place for children to stretch themselves and take appropriate risk.

Junior Rangers For children entering a 4's program through entering Kindergarten. Junior Rangers will be lead by members of our Early Childhood staff through summer fun and adventure. We will have a variety of in-house field trips, arts & crafts along with music and movement, and much more.

Camp Ranger Kids For children entering 1st grade through entering 3rd grade. Are you ready to have a blast? This summer become a super hero or a detective and solve a crime. Would you rather learn to perform magic tricks or how to crack a secret code? At St. John's you can do all these things and more! Join us for fun filled days of crafts, water play, games, and exploring the great outdoors.

Techno Kid Campers For children entering 4th grade and 5th grade. Looking for a program that balances your kid's love of technology and your desire to have them do anything that does not involve a screen? Your search is over! Techno Kids will explore techno tools and have good old fashioned camp fun! Some of our activities include: large group games, swimming, bowling, a trip to the park, and much more!

English Language Campers For children ages 4 to 6. This year we have 3 two-week sessions with **new** and **exciting** themes. Plus, you can choose from partial-or full-day programs. Meet new friends, learn new things, have a ton of fun!
